Trad for Trócaire

Music is powerful but a Trad for Trócaire seisiún has the power to change lives.

Across the countries where we work in **Africa, Asia** and **Latin America**, vulnerable communities are suffering daily in extreme hunger and poverty, often with no means to improve their lives. But you can change this, through the power of music.

No matter how big or small the event, your seisiún has the power to change lives.

To organise a Trad for Trócaire seisiún in your local community, order your free Trad Pack now.
