**TRÓCAIRE GIFT
OF CHICKS**

This thoughtful and generous gift is simple, life-saving and super cute.

Eggs are a really nutritious food that help pregnant women stay healthy and children to grow up strong.

Once fully grown, chickens lay more eggs to be sold in local markets; earning money all year round.

The droppings can also be used as fertilizer in vegetable gardens, helping to add health and variety to a family's diet.

A gift in your honour for a better world.

Your gift is transforming more lives than you know...

A Trócaire Gift brings real hope and opportunity to families and communities living in poverty. Not only does it change the lives of the families receiving the gift, it also changes the lives of the local business owners and farmers that supply the gifts.
