TRÓCAIRE GIFT OF EMERGENCY WATER

Water is a basic human right. War, climate change and poverty have impacted people's access to water.

Your Emergency Water Gift is a lifeline.

This gift includes a jerry can and water purification tablets that help prevent deadly diseases like typhoid and cholera. Your life saving gift gives families in South Sudan and Ethiopia the peace of mind that their precious water is safe to give their families.

A gift in your honour for a better world.

Your gift is transforming more lives than you know...

A Trócaire Gift brings real hope and opportunity to families and communities living in poverty. Not only does it change the lives of the families receiving the gift, it also changes the lives of the local business owners and farmers that supply the gifts.

Visit trocaire.org/gifts to find out more about how your Trócaire gift is making a difference or to see our full range of locally sourced gifts.
