**TRÓCAIRE GIFT OF
EMPOWERING WOMEN**

Families are being forced to the very edge of survival. In parts of Uganda, Sierra Leone and Ethiopia extreme poverty caused by war, climate change and economic instability is putting families at risk.

Your Women's Empowerment Gift helps set up women-led savings and loans groups to support local women to set up their own businesses, providing an income to buy food, shelter and safety.

A gift in your honour for a better world.

Your gift is transforming more lives than you know...

A Trócaire Gift brings real hope and opportunity to families and communities living in poverty. Not only does it change the lives of the families receiving the gift, it also changes the lives of the local business owners and farmers that supply the gifts.

Visit trocaire.org/gifts to find out more about how your Trócaire gift is making a difference or to see our full range of locally sourced gifts.
