**TRÓCAIRE GIFT OF  
FIXING A WELL**

This thoughtful and generous gift will give communities in war-torn South Sudan the skills and equipment needed to fix and maintain wells that have fallen into disrepair.

This ensures there is clean, safe water for washing, cooking and cleaning for an entire community.

It really is a gift that keeps on giving.

**A gift in your honour for a better world.**

**Your gift is transforming more lives than you know...**

A Trócaire Gift brings real hope and opportunity to families and communities living in poverty. Not only does it change the lives of the families receiving the gift, it also changes the lives of the local business owners and farmers that supply the gifts.
