**TRÓCAIRE GIFT
OF GOATS**

This thoughtful and generous gift is ready to change the life of a family in Ethiopia or Kenya right away.

Goats produce about four litres of milk daily, so families can make money selling the excess.

They can also give birth to kids twice a year, often producing twins or triplets, that grow up to have more kids.

Families can sell their spare goats, making your goat a gift that keeps on giving.

A gift in your honour for a better world.

Your gift is transforming more lives than you know...

A Trócaire Gift brings real hope and opportunity to families and communities living in poverty. Not only does it change the lives of the families receiving the gift, it also changes the lives of the local business owners and farmers that supply the gifts.
