Someone kind and caring has bought you the **TRÓCAIRE GIFT OF HONEY BEES**

This thoughtful and generous gift will bring an eco-friendly, healthy buzz to families in Kenya.

Families in Kenya struggle to survive long periods of drought and generally poor farming conditions.

Bee keeping is one of the few ways to earn an income without damaging the environment.

Your thoughtful gift of Honey Bees will provide a family with training, bees, hives, flowering plants and water. Once the bees move in, families can earn money selling honey and beeswax for candles and soap.

A gift in your honour for a better world.

Your gift is transforming more lives than you know...

A Trócaire Gift brings real hope and opportunity to families and communities living in poverty. Not only does it change the lives of the families receiving the gift, it also changes the lives of the local business owners and farmers that supply the gifts.
