**TRÓCAIRE GIFT OF
A MENTAL HEALTH
LIFELINE**

The reality for millions of people living in Gaza is a permanent state of lockdown. Living in constant fear, they face food and water shortages, power outages and the highest rates of unemployment in the world with no escape.

Your Mental Health Lifeline Gift provides the women and children of Gaza access to vital mental health care and a support network.

A gift in your honour for a better world.

Your gift is transforming more lives than you know...

A Trócaire Gift brings real hope and opportunity to families and communities living in poverty. Not only does it change the lives of the families receiving the gift, it also changes the lives of the local business owners and farmers that supply the gifts.
