**TRÓCAIRE GIFT OF
A NEW MOTHER'S
CARE KIT**

A healthy baby and a happy, healthy mother are the greatest gifts any family can receive.

Women and their unborn babies in war-torn Somalia often die because the hospital is far away.

Your thoughtful gift of a New Mother's Care Kit will provide antenatal classes for mothers, training for midwives to deliver babies safely and a baby kit for mothers and their babies.

This is truly a gift of love for families.

A gift in your honour for a better world.

Your gift is transforming more lives than you know...

A Trócaire Gift brings real hope and opportunity to families and communities living in poverty. Not only does it change the lives of the families receiving the gift, it also changes the lives of the local business owners and farmers that supply the gifts.
