## Someone kind and caring has bought you the **TRÓCAIRE GIFT OF SCHOOL LUNCHES**

The war in Somalia means many families are struggling to feed their children, who often go to school on empty stomachs.

This thoughtful and generous gift will give four children a lunch of maize and beans every school day for a month.

Helping them to concentrate in school, stop rumbling tummies and improve their health.

**A gift in your honour for a better world.**

### **Your gift is transforming more lives than you know...**

A Trócaire Gift brings real hope and opportunity to families and communities living in poverty. Not only does it change the lives of the families receiving the gift, it also changes the lives of the local business owners and farmers that supply the gifts.
