has bought you the**
**TRÓCAIRE GIFT OF
A SOLAR LAMP**

This thoughtful and generous gift will provide a light that is safe to use and cheap to run for families in the Democratic Republic of Congo.

Most family homes in the Democratic Republic of Congo have no electricity and use kerosene lamps that emit dangerous fumes, are expensive, dirty and a huge fire hazard.

Your thoughtful gift of a solar lamp provides six hours of light. Families can cook, care for children easily in the evening and children can do their homework.

A gift in your honour for a better world.

Your gift is transforming more lives than you know...

A Trócaire Gift brings real hope and opportunity to families and communities living in poverty. Not only does it change the lives of the families receiving the gift, it also changes the lives of the local business owners and farmers that supply the gifts.

Visit trocaire.org/gifts to find out more about how your Trócaire gift is making a difference or to see our full range of locally sourced gifts.
