## Someone kind and caring has bought you the **TRÓCAIRE GIFT OF A WATER FILTER**

In some countries, clean, safe water is a luxury. The World Health Organisation believes that improving water quality, sanitation and hygiene could save millions of lives.

Your Water Filter Gift can help prevent deadly diseases like cholera and typhoid and help families in Myanmar, Ethiopia and South Sudan have safe water to drink.

**A gift in your honour for a better world.**

### **Your gift is transforming more lives than you know...**

A Trócaire Gift brings real hope and opportunity to families and communities living in poverty. Not only does it change the lives of the families receiving the gift, it also changes the lives of the local business owners and farmers that supply the gifts.
